

# CURRICULUM VITAE ET STUDIORUM PATRIZIA ANDRONICO

## PERSONAL INFORMATION

**Work (/corresponce) address:**

Istituto di Informatica e Telematica  
Consiglio Nazionale delle Ricerche  
Area della Ricerca di Pisa  
Via G. Moruzzi, 1, I-56124 Pisa, Italy

**Date and place of birth:**

24 May 1963, Pisa (Italy)

**Nationality:** italian

**Sex:** female

**Phone:** (+39) 050 315 2090 or cell: (+39) 348 82 60 779

**Fax:** (+39) 050 315 2593

**e-mail:** patrizia.andronico@iit.cnr.it

**web page:** <http://www.iit.cnr.it/node/207>

## EDUCATION

- 2006** M.Sc in Science Communication (5 years course), University of Siena, IT.  
 Specialisation: "Technical Management of the Institutional and Enterprise Communication" (*Gestione delle Tecnologie per la Comunicazione Istituzionale e d'Impresa*)  
 Dissertation title: "Ambiguity in the design. Techniques of inspiration for the definition of technological scenarios" (*L'ambiguità nel design. Tecniche di ispirazione per la definizione di scenari tecnologici*)
- 1986** Attended 2 years: M.Sc. in Physics, University of Pisa
- 1982** High School Diploma: Scientific studies, Liceo Scientifico Sperimentale "Concetto Marchesi", Pisa.

## Languages

	Understanding		Speaking		Writing
	Listening	Reading	Spoken interaction	spoken production

## WORK EXPERIENCE

**29.12.2011: winner of the CNR internal competition for a higher level**, from technician V level to technician **IV level**.

**16.02.2009: permanent position** at the IIT-CNR (Istituto di Informatica e Telematica del Consiglio Nazionale delle Ricerche), technician (CTER V).

**01.10.2005/15.02.2009: fixed contract** (technician, CTER V) at the IIT-CNR for activities concerning: Web Designer, design of graphical layout for printed material, teacher of Web Technologies, techniques and methods for usability and accessibility design.

**03.07.2005/30.09.2005: free lance** at the IIT-CNR for work on web design and design of printed material.

**03.07.2000/02.07.2005: fixed contract** (technician, CTER V) at the IIT-CNR. for activities concerning: Web Designer, design of graphical layout for printed material, teacher of Web Technologies, organization of international events, research on usability and accessibility, member of the European Project MobileMAN.

The results of research are divided in different topics:

- **Usability and Accessibility:** [TR10], [TR9], [TR8], [IC12], [IC11], [IC9], [IC7], [IC6], [IC5], [IJ3], [IJ2], [BC1]
- **Web Technologies:** [TR11], [TR5], [TR4], [TR1], [IN5], [IC10]
- **Interaction Design and User Centered Design:** [TR13], [TR6], [IC13], [IC8], [IC4], [IC3], [NC1]
- **Web Design:** [TR12], [TR7], [TR3], [TR2], [IC2], [IC1], [IJ1]
- **Design of graphic layout:** [IN7], [IN6], [IN4]
- **HCI and new technologies:** [TR14]

**1992/july 2000: Free Lance** as owner of a Consultant activity on Informatics and Photography. In the same period she was consultant for the Registro .it as web designer and organizer of scientific events. [TR1, TR2, TR3]

**1994/1996: permanent position** as shop assistant (half-time) at the Book Shop Libreria del Lungarno di Pisa. During this period she also help in digitalised all the titles as well as all the process of management of the shop.

**September 1989/April 1993: consultant** at the Istituto di Elaborazione della Informazione del CNR, for the Alenia di Pomigliano d'Arco (Napoli), as computer programmer in the research "Numerical techniques for analysis and diagnosis for the quality control of materials and products". She studied and developed software for the analysis of data taken with ultrasound systems; design and development of algorithms/software for the functional analysis of digital circuits for servocontrol, design and development of interactive statistical analysis of tissue images; design and implementation of graphical interface [IN1, IN2, IN3].

## PROFESSIONAL ACTIVITIES

### Science Communication

**2009-...:** member of the program committee of seminars “Areaperta. Parlando di scienza al CNR di Pisa” and brochure and poster designer. Seminars open to the general public. (<http://www.area.pi.cnr.it/areaperta>)

**2011:** design of the exhibition “CEP50, La CEP prima della CEP: storia dell’informatica”, celebration of the first Italian computer built in Pisa and premiered in 1961 by the Italian President of Republic. Exhibition organised by the Department of Informatics, University of Pisa (exhibition of 19 panels) (<http://www.iit.cnr.it/node/12540>)

**2011:** design of the exhibition “Dentro il microscopio: ottica, immagini, tecnologie”, the history of microscopy, organised by the National Institute of Optic (INO-CNR) (exhibition of 24 panels) (<http://www.iit.cnr.it/node/12572>)

**2009:** design of the 8 posters of the National projects of the Information and Communication Department of the CNR (presented at the Future Internet Assembly (FIA’09) - Stoccolma 23-24 Novembre 2009 and at The Future of the Internet Conference 2009 - Praga 11-13 Maggio 2009 (<http://www.iit.cnr.it/node/7452>)

**2009:** contact for the IIT for the celebration of the CEP (Calcolatrice Elettronica Pisana) and the history of computer science in Italy, Area della Ricerca 11 June, and Museo degli Strumenti per il Calcolo, 12 June. She works to:

- coordinating the celebration in the CNR Research Area;
- working together with the External Relation Office of the ISTI-CNR;
- main contact between CNR, Scientific Committee and Museo degli Strumenti per il Calcolo;
- design and develop the web site dedicated to the celebration (<http://www.cep.cnr.it>);
- managing of the logistic at the CNR Area and organisation of the distributed material for all the participants;
- design and development of the dissemination material (posters, banner, shopper, invited cards).

### Web Designer

<b>2011</b>	Design and implementation of the website for the workshop BINet2012 <a href="http://binet2012.iit.cnr.it">http://binet2012.iit.cnr.it</a>		
<b>2009</b>	Member of the design and development group for the new website of the istituto IIT-CNR		
<b>2006</b>	Design and implementation of the website for the IEEE International Conference on Pervasive Computer and Communications (PerCom 2006) <a href="http://www.percom.org/">http://www.percom.org/</a>	Design and implementation of the website for the IEEE International Symposium on a World of Wireless, Mobile and Multimedia Networks (WoWMoM 2005) <a href="http://cnd.iit.cnr.it/wowmom2005">http://cnd.iit.cnr.it/wowmom2005</a>	Design and implementation of the website for the 11th Congress of the European Society for Photobiology (ESP 2005) <a href="http://www.esp-photobiology.it/2005congress/index.html">http://www.esp-photobiology.it/2005congress/index.html</a>
<b>2005</b>	Design of graphical proposals for the website of the URPINSIEME project, a collaboration between URP (Uffici Relazioni con il Pubblico) coordinated by the URP-CNR, Roma		
<b>2004</b>	Design and implementation of the website for the European Society for Photobiology (ESP) <a href="http://www.esp-photobiology.it/">http://www.esp-photobiology.it/</a>		
<b>2003</b>	Design and implementation of the website for the Workshop TIWIS2003, Tunisian Italian Workshop on Information Security and Digital Certification, Tunis, Tunisia, 21-22 maggio 2003 <a href="http://www.iit.cnr.it/Tiwis2003/">http://www.iit.cnr.it/Tiwis2003/</a>	Design and implementation of the website for Progetto Oncologia (CNR-MIUR) <a href="http://progettooncologia.cnr.it">http://progettooncologia.cnr.it</a>	
<b>2002</b>	Design and implementation of the website for the International Conference ECIR03, European Conference on Information Retrieval Research, Pisa, 14-16 aprile 2003 <a href="http://ecir03.isti.cnr.it/">http://ecir03.isti.cnr.it/</a>	Design and implementation of the website for European Project MobileMAN, Mobile Metropolitan Ad hoc Network <a href="http://cnd.iit.cnr.it/mobileMAN/">http://cnd.iit.cnr.it/mobileMAN/</a>	Design and implementation of the website for the International Conference PWC2003, Personal Wireless Communications, Venezia, 23-25 settembre 2003 <a href="http://www.iit.cnr.it/pwc2003/">http://www.iit.cnr.it/pwc2003/</a>

	Design and implementation of the website for the ESF Workshop, European Science Foundation, "Exploratory Workshop. Is mobile ad hoc networking part of the future of mobile networking in Europe?", Monterosso al Mare, La Spezia, Italy, 10-12 ottobre 2002 <a href="http://www.iit.cnr.it/esf2002/">http://www.iit.cnr.it/esf2002/</a>	"Fifth International Workshop on Wireless Mobile Multimedia", Atlanta, Georgia, 28 settembre 2002 <a href="http://www.ing.unipi.it/wowmom/">http://www.ing.unipi.it/wowmom/</a>	
<b>2001</b>	Design and implementation of the website for the International Conference Euroweb2001 organised by the Italian W3C Office, Pisa dicembre 2001 <a href="http://euroweb.w3c.it/">http://euroweb.w3c.it/</a>	Design and implementation of the website for the International Conference Networking2002, Pisa, 19-24 maggio 2002 <a href="http://www.cnuce.pi.cnr.it/Networking2002/">http://www.cnuce.pi.cnr.it/Networking2002/</a>	Design and implementation of the website for the Informagiovani della Provincia di Pisa
<b>2000</b>	Restyling of the website of the Registration Authority Italiana (now Registro .it)	Updating of the website "COESIN: Comitato Esperti Internet", after a restyling that followed the <a href="http://www.governo.it">www.governo.it</a> graphic layout	Updating of the website <a href="http://www.xml.it">www.xml.it</a> for the conference XML Italia 2000 - Pisa 9/10 maggio 2000
	Restyling and implementation of the website of the Registro del ccTLD .it (now Registro .it).	Design and implementation of the website for the exhibition "Vibrations: the sound of art", University of Essex, Colchester, United Kingdom <a href="http://privatewww.essex.ac.uk/~soundart">http://privatewww.essex.ac.uk/~soundart</a>	
<b>1999</b>	Ha collaborato alla realizzazione del Dossier Ipertestuale prodotto in XML realizzato in collaborazione con la Camera dei Deputati		
<b>1998</b>	Restyling and implementation of the website of the Registro del ccTLD .it (now Registro .it).		

### Graphic and brand Design

<b>2011</b>	Design and implementation of the leaflet and the poster for the European project NESSOS ( <a href="http://www.nessos-project.eu/">http://www.nessos-project.eu/</a> )	Design of the poster and all the printed material for the conference WoWMoM 2011 ( <a href="http://www.ieee-wowmom.org/">http://www.ieee-wowmom.org/</a> ). Implementation by R.Casarosa.	Design of the poster and all the printed material for the conference BITS 2011 ( <a href="http://www.bits2011.it/">http://www.bits2011.it/</a> ). Implementation by R.Casarosa.
	Design and implementation of the programme brochure, handout and poster for the MultilingualWeb Workshop ( <a href="http://www.multilingualweb.eu/">http://www.multilingualweb.eu/</a> )	Design and implementation of the istitutional folder of the IIT, and of the flyer for the research groups of the Institute.	
	Design and implementation of the logo for the Security Group of the IIT	Design and implementation of the logo for the Interdipartimental Security Group of the CNR	Design and implementation of the logo for the Summer Session School 2011 of the Regione Toscana, and of the cover of the final report of the school.
<b>2010</b>	Design and implementation of the logo, brochure and poster for the Internet Governance Forum Italia (IGF2010)		
<b>2009</b>	Design and implementation of the logo, brochure and poster for the Internet Governance Forum Italia (IGF2009)	Design and implementation of the poster of the Istituto di Informatica e Telematica del CNR	
<b>2008</b>	Design and implementation of the logo for the Joint Security Centre ( <a href="http://www.jointsecuritycentre.eu/">http://www.jointsecuritycentre.eu/</a> )		

2007	Lay out of 1 issue of the magazine "focus.it" of the Registro.it		
2006	Lay out of 2 issues of the magazine "focus.it" of the Registro.it		
2005	Lay out of 3 issues of the magazine "focus.it" of the Registro.it	Lay out of of the magazine "Statistical Annual Book" of the Registro.it, year 2005	Design of the cover for the new Elsevier Journal on PMC (Pervasive and Mobile Computing)
2004	Design of the cover for the proceeding of the IEEE International Symposium on a World of Wireless, Mobile and Multimedia Networks (WoWMoM 2005)	Design of the new magazine "focus.it" of the Registro del ccTLD .it (now Registro .it) and lay out of the first issue	Design of the "Statistical Annual Book" of the Registro del ccTLD .it (now Registro .it) and lay out of the first issue
	Design of the logo and implementation of the cover for the proceedings of the WiOpt 2004 Conference, Cambridge, UK, Marzo 2004	Design of the cover and the internal pages of the Press Release Book of the IIT-CNR	Design of the logo for EURid, association in charge of the TLD ".eu"
2003	Design and implementation of the logo and poster for the TIWIS 2003 Workshop	Design and implementation of the posters for the PKI-RA, organised by IIT-CNR	Design and implementation of the poster for the Master in Internet Technologies, organised by the IIT with the Univesrity of Pisa (Engineering Faculty)
2002	Design and implementation of the logo and poster for the ECIR'03 Conference, organized by ISTI-CNR	Design and implemtation of the logo for the European Project MobileMAN, Mobile Metropolitan Ad hoc Network	Design and implementation of the logo, brochure and poster of the International Conference PWC 2003, Personal Wireless Communications. Venezia, 21-25 settembre 2003
	Design and implementation of the logo, brochure and poster of the Workshop WoWMoM 2002	Design and implementation of the IIT-CNR brochure	Design and implementation of the brochure for INSM project (Integrated Network Services Manager), developed at the IIT-CNR
2001	Design and implementation of the logo, brochure and poster of the International Conference Networking2002		
2000	Design and implementation of posters about the activities of the IAT-CNR.	Design and implementation of a presentation of the IAT-CNR Institute at the inauguration of the CNR Research Area in Pisa	
1999	Design and implementation of the IAT-CNR brochure		
1998	Design and implementation of the new logo of the Registro del ccTLD .it (now Registro .it)		

### **Supervising and Reviewing**

**reviewer:** for the short papers for the International Conference CHI (Computer Human Interaction) (2011-2010)

**thesis:** Search engine: user interface accessibility and information access. (*"Motori di ricerca: accessibilità delle interfacce utenti e fruibilità delle informazioni"*), Antonio Raimondo, A.A. 2002-2003, Laurea Degree in Computer engineering, Department of Engineer, University of Pisa, IT

**interns:** Ontological study of the cognitive elements useful for the design of websites thematically oriented to facilitate information retrieval, even by inexperienced persons (*"Studio degli elementi ontologico-cognitivi atti alla progettazione di siti web tematicamente orientati a facilitare il recupero delle informazioni anche da parte di personale inesperto"*), Arianna Ciula, Laurea Degree in Communication Science, University of Siena, IT

## Teaching

**2007:** Invited talk "Web Application Engineering. Sviluppo agile delle applicazioni web: interdisciplinarietà e progettazione centrata sull'utente", in co-operation with Cristian Lucchesi. Organised by Associazione Laureati Economia Informatica and Università of Pescara, 15-16 May 2007

**2004-2008:** Web technologies for the provider/maintainer of the Registro .it: Pisa giugno 2004, Venezia novembre 2004, Palermo aprile 2005, Padova marzo 2006, Napoli aprile 2007, Isola d'Elba settembre 2008

**2003:** Web technologies for the CNR, Area della Ricerca del CNR di Pisa, 1-5 dicembre 2003

- o **1999-2000:** Teacher for the FORMATICA s.r.l. in courses on:
  - ECDL - Office e Internet
  - Web Design: HTML, CSS and web graphic
- o **1998:** Teacher in Computer Graphic for the professional training of the Provincia di Pisa - sede di Volterra
- o **1990-1995:** Teacher for the professional Training of the Provincia di Livorno for courses on:
  - 'C' language;
  - graphic applications and image processing;
  - windows user interfaces;
  - word-processing applications.

## Research projects

**2002-2005:** European Project "**MobileMAN Mobile Metropolitan Ad hoc Network**", study with potential users of the social impact of new wireless technology called MobileMAN. Project Coordinator Marco Conti (IIT-CNR). (IST-2001-38113) (<http://cnd.iit.cnr.it/mobileMAN/>)

**2002-2005:** "**Search Engine Usability and Accessibility**", in collaboration with Marina Buzzi (IIT-CNR).

## Participation to National and International organisations

- **2001-...** Special Interest Group in Computer Human Interaction (SIGCHI-Italy) <http://giove.cnuce.cnr.it/sigchi/>
- **2001** UPA (Usability Professional Association) <http://www.upassoc.org/>

## Photographer

**1992-2000** assistant photographer for professional studios and Technical development and printing of black and white photos.

**1997** organisation of activity concerning Latin America, in conjunction with the Associazione OndaVideo and the Circolo Culturale Agorà di Pisa

**1996** "Script" for the movie "El Triangulo del Lago", director Mauricio Calderon, La Paz, Bolivia

**1996** "Still photographer" for the short-movie "Yawar - Sangre", director Davide Sordella, Bolivia

**1994** Assistent photographer at the Studio FotoVideoTandem di Pontedera (PI) specialised in architecture for the Sovrintendenza di Firenze

**1990** Photographic exhibition in Malmo, Sweden

**1989** Photographic exhibition in Florence, Italy

## OTHER COURSES ATTENDED

**2011** First Summer Session on "ICT and Life Science", organised by Regione Toscana, 29/08 – 10/09 2011

In-depth short course "Come Va ... la Ricerca?", on "Motivation & Team Building", organised by CNR-PSC, Genova 19-11 October 2011

**2010** Summer School "SCS2010", in collaboration with ESOF2010: *Open science. Research and society: analysing the communication efficiency of a big event. (Scienza aperta. Ricerca e società: analisi dell'efficacia comunicativa di un grande evento)*. Organised by Agorà Scienza, University of Turin, 1-6 July 2010

Summer School "Come va .. la ricerca?", Course on Management and exploitation of research, organised by CNR-PSC, Genova 14-18 June 2010

Training Aquarius on Accessibility, quality and respect for disadvantaged users (*Accessibilità, qualità, rispetto per gli utenti svantaggiati*), organised by W3C Italian Regional Office, from October to December 2010.

- 2009** *“Ricerzare e comunicare. Teorie e buone pratiche negli enti di ricerca”* giornata di studio organizzata dal CNR, Area della Ricerca Bassini, Milano, 27 gennaio 2009
- 2008** Summer School SCS2008: *Science is for everyone? Scientific knowledge as a global public good. (La scienza è di tutti? La conoscenza scientifica come bene pubblico globale)*. Organised by Agorà Scienza, University of Turin,, 7-17 September 2008
- 2007** Short Course on *“Design for the use of Domotic” (La domotica istruzioni per l’uso. Corso di formazione per la progettazione)*, organised by the SODO project (CNR) with the Agenzia per lo Sviluppo Empolese Valdelsa, Firenze Tecnologia, Copernico e CNA - 40 h
- 2004** *“Photography markup”* Developers Day session at WWW2004, NYC, USA, 22 May 2004, organized by Greg Elin
- 2003** Tutorial *“WebSite Usability”* - by Dott. Cuauhtemoc Rivera-Loiza (Universidad de Chile) and Henning Breuer (University Germany in Berlin) – 9 november 2003 - Santiago del Chile
- Tutorial *“Web Accessibility, Findability and Mobility”* – by Prof. Bebo White (Stanford Linear Accelerator Center) and Prof. Ricardo Baeza-Yates (Universidad de Chile) – 11 november 2003 - Santiago del Chile
- Full day about *“Usability and accessibility in web site” (Integrazione di Usabilità e Accessibilità nei siti Web)* – organised by Dr. Fabio Paternò - Area della Ricerca del CNR di Pisa – 12 may 2003
- Tutorial on *“SVG”* – by Ivan Herman (Head of W3C Offices), organised by Italian W3C Officer – 10 january 2003 – Pisa
- Professional Training (125 hours) about *“The web-tv in Pisa” (Le narrazioni brevi - La lampada di Galileo: la web-tv di Pisa)* – organised by Associazione CinemaTeatroLux with the Amministrazione Provinciale di Pisa and Fondo Sociale Europeo and realised in conjunction with Techne srl, Cooperativa Alfea Cinematografica and the University of Pisa. Stage made at LiberoLogico in Pisa, specialised in applications in the Cultural Heritage field – November 2002/February 2003, Pisa
- 2002** Tutorial *“Leonardo Laptop”*, by Dott. Ben Shneiderman, University of Maryland, USA, and organized within the 4<sup>th</sup> International Conference on Creativity and Cognition, 14-16 October 2002, Loughborough, UK
- Tutorial *“User-Centred Design with Use Case Methods”*, by Dott. William Hudson, Syntagm Ltd, Oxford, UK and organized within the 1<sup>st</sup> International Conference on Human Factor and the Web: Designing and Evaluating for the Web, 19 March 2002, Nice, France
- 2001** Tutorial *“Cross-Cultural User-Interface Design for Work, Home, and On the Way”*, by Aarom Marcus, Aaron Marcus and Associates Inc., USA, and organized within the International Conference of the Usability Professional Association (UPA 2001), special conference theme *“Usability A Winning Experience”*, 25-29 June 2001, Lake Las Vegas, Nevada, USA
- Workshop on *“Understanding work and designing artefacts”*, by Prof. Peter Wright, organised by Università di Siena, Corso di Laurea in Scienze della Comunicazione – 4 May 2001, Siena
- Workshop on *“Fotografia e significato. Il senso, l’impiego, la composizione fotografica”*, by Dott. Giovanni Santi e organizzato dall’Università di Siena, Corso di Laurea in Scienze della Comunicazione – 23/24 marzo 2001, Siena
- Tutorial *“Intelligent User Interfaces: An Introduction”*, tenuto da Mark T. Maybury, MITRE Corporation and organised within the International Conference on Intelligent User Interfaces (IUI’01), 14 Gennaio 2001, Santa Fe, NM, USA
- Tutorial *“Your wish is my command. Programming by example”*, tenuto da Henry Lieberman, MediaLab del MIT, USA, organised within the International Conference on Intelligent User Interfaces (IUI’01), 13 January 2001, Santa Fe, NM, USA
- First i3 Summer School *“Designing for communities”*, 1/10 September 2001 - Interaction Design Institute, Ivrea, Italia. Attendee at the Atelier *“Identity Management and Privacy”* by Michael Koch of the Technische Universitat Munchen (TUM). The work of the Atelier has won the first price as the best work at the summer school.
- 2000** First International Workshop on *“Interactive Graphical Communication”*, 30-31 agosto 2000 – Londra, United Kingdom
- Workshop on *“Web and images: quale ruolo per XML”*, organised by the Italian W3C Regional Office – december 2000 - Milano, Italia
- Workshop on *“Web accessibility for disable people”*, organised by the Italian W3C Regional Office – december 2000 - Roma, Italia
- Workshop on *“Il mondo è suono: comunicare con la musica. La pratica dell’utilizzo da parte dei nuovi media”*, tenuto dal Dott. Fabio Pianegiani e organizzato dall’Università di Siena, Corso di Laurea in Scienze della Comunicazione - 3/4 marzo 2000, Siena

- 1996** Short course on "Script" (Continuidad Cinematografica) – by Sanila Sanchez, organised by University of Bolivia and Consiglio Nazionale del Cinema della Bolivia, 26/30 August, La Paz, Bolivia
- 1994** Professional course on Languages and advertising (Linguaggi e pubblicità), organised by CIDI (Centro di Iniziativa Democratica Insegnanti di Pisa) and IRSSAE della Toscana
- 1993** Short Course "*Dynamic Image Processing*", tenuto dal Prof. Cappellini e organizzato dal Dipartimento di Ingegneria Elettronica dell'Università di Firenze  
Professional Training on "Photographic techniques" (Corso di aggiornamento sulle tecniche fotografiche), organised by Formazione Professionale dell'Amministrazione Provinciale di Livorno and CNA - Livorno
- 1991** Seminar "*Metodi e linguaggi per la specifica di interfacce utenti e per la programmazione visuale*", organizzato dal CNUCE-CNR e dal Consorzio Pisa Ricerche, Pisa  
Professional Photography, Scuola di Fotografia di Firenze (3 years course)
- 1990** Seminar "*Metodi e linguaggi di specifica di interfacce utenti*", organizzato dal CNUCE-CNR e dal Consorzio Pisa Ricerche, Pisa
- 1989** Professional computer programmer, organised by Associazione Intercomunale n.12 di Pisa

### ***Other interests***

- Scouting, music, anthropology, reading, photo&video, painting, travelling, foreign languages
